Unleash a force of nature with RZR Pro R, our most powerful RZR, delivering race-proven performance.

## KEEP THE ELEMENTS OUT

New solid half doors with a double latch and door seal shrug off more dust, water and other elements nature throws your way. Stay comfortable, more focused and unstoppable on the trails.

## REFINED INTERIOR

Winning starts from within, and RZR Pro R is no exception. Its interior is meticulously designed with more comfort and convenience, empowering you to ride farther, drive harder and finish in first place.

## KEEP UP WITH THE PROS

Champion challenging terrain with RZR Pro R's race-proven driveline components. Together, they seamlessly deliver 225 HP of pure power, propelling you to outperform the ordinary off road.

## EASILY ACCESS CONTROLS

Optimized driver touchpoints bring vehicle controls to your fingertips with a more intuitive, accessible design. Easily map routes, stow valuables, switch tunes and more, without taking your focus from the trail.

SPECS FOR 2-SEATER

## A BOLD NEW DESIGN

Show up and show out with the bold new design of RZR Pro R—delivering more style and performance to win it all.

## NONSTOP THRILLS, NEXT-LEVEL CONTROL

Dial in your preferred level of exhilaration on the go with DYNAMIX DV semi-active suspension.

It automatically adjusts shocks to the terrain as you ride, delivering nonstop thrills and next-level control.

## CONFIDENCE-INSPIRING STYLE

Feel as bold as you look with an elevated exterior style that commands respect on the trail. Its athletic stance, bold accents and sleek silhouette catch the eye and defy rough terrain with more comfort, strength and control.

## SEE AND BE SEEN

Stand out from the pack with the return of RZR Fang Lighting. Its sharp design and dynamic up-and-down animation command respect, ensuring you won't blend in on the trail.

## TRAIL-OPTIMIZED TECHNOLOGY

Take your ride up a notch with trail-ready technology. From advanced connectivity to groundbreaking sound, RZR Pro XP features cutting-edge tech to unlock more potential off road.

## STAY CONNECTED OFF GRID

Elevate your off-road experience with RIDE COMMAND—the original, nationwide off-road mapping system with over a million miles of verified trails and unique features, available right from your dash with the 7" Display.

## NONSTOP THRILLS, NEXT-LEVEL CONTROL

Dial in your preferred level of exhilaration on the go with DYNAMIX semi-active suspension. It automatically adjusts shocks to the terrain as you ride, delivering nonstop thrills and next-level control.

## REFINED INTERIOR

Winning starts from within, and RZR Pro XP is no exception. Its interior is meticulously designed with more comfort and convenience, empowering you to go the distance and take the prize.

## STAY COOLER IN THE CAB

Turn up the heat on the trail, stay cooler in the cab with new dual hood scoops that ram fresh air into the cab. Working together with the cab's radiator deflectors, they more effectively manage airflow—reducing overall cabin temperature.

# BEST-SELLING SPORT SIDE-BY-SIDE.

SCAN FOR  
MORE INFO

The all-new RZR XP is the next revolution in multi-terrain performance. With a rugged design, more comfort and legendary performance, the RZR XP is built to take on the off road.

## DESIGNED FOR RELENTLESS THRILLS

When the going gets tough, you persevere—and demand a machine that does the same. RZR XP is designed with game-changing durability and comfort, allowing you to relentlessly chase thrills on demanding terrain.

## MORE PROTECTION, PEACE OF MIND

Fearlessly take on harsh terrain with a more fortified ride. A patent-pending, full-coverage skid plate enhances powertrain protection, while a tubular front bumper helps shield the front of the machine from trail elements.

## A RIDER-INSPIRED INTERIOR

Winning starts from within, and RZR XP is no exception. It's redesigned interior incorporates years of rider feedback, creating a more comfortable, capable cab that delivers the exceptional performance you desire.

## LEGENDARY PERFORMANCE

The next revolution of RZR DNA with responsive performance, traction and clearance, and trail agility to take on the off road.

## CONQUER TECHNICAL TERRAIN

Crawl like a pro, handle like a champ. A new, lower gear ratio delivers impressive torque for smooth, responsive power—so you can command tight corners and technical terrain with more precision & control.

## UNLOCK A SMOOTHER RIDE

Tame wild terrain with iconic RZR XP suspension. 18" of usable travel swallows up bumps for a smoother ride. Precision-tuned Walker Evans Needle Shocks deliver razor-sharp handling for class-leading control.

## TRAIL-READY COMFORT

Built to keep riding all day on any terrain. With an emphasis on comfort and control, the new RZR XP is purpose built to make your days on the trail the best they can be.

MORE INFO

The all-new RZR XP 4 is the next revolution in multi-terrain performance. With a rugged design, more comfort and legendary performance, the RZR XP 4 is built to take on the off road.

## LEGENDARY PERFORMANCE

The next revolution of RZR DNA with responsive performance, traction and clearance, and trail agility to take on the off road.

## KEEP RIDING-RAIN OR SHINE

A cab with full doors, self-draining floors and an available poly roof shrugs off dust, rain and other elements nature throws in your path. Stay drier, more focused and unstoppable on the trail-whatever challenges come your way.

## CUSTOMIZE YOUR RIDE

The RZR XP 4 is built with industry-leading accessory integration. Equipped with a 900-watt charging system and 6-position Pulse Bar for plug-and-play installation of popular accessories like audio, lights, and radios.

## MAXIMIZED SEAT TIME

The redesigned cab features a sporty seating position, adjustable front seats and raised rear seating providing ultimate comfort for a day full of trail miles.

## STRONGER PERFORMANCE

Dominate the dirt with RZR XP 4's 25% stronger chassis. It delivers the perfect blend of raw power, smooth suspension and razor-sharp agility, and reduces noise with a tighter fit finish-optimizing your off-road experience.

## MORE PROTECTION, PEACE OF MIND

Fearlessly take on harsh terrain with a more fortified ride. A patent-pending, full-coverage skid plate enhances powertrain protection, while a tubular front bumper helps shield the front of the machine from trail elements.

## PURE PERFORMANCE ATV

Scrambler XP 1000 delivers rider mobility, control & comfort with a sculpted seat, wider floorboards & narrowed cockpit.

### ON THE THROTTLE THRUST

Grab a handful and let the instant hit of the performance-tuned ProStar engine set you back and propel you forward at the same time with a rush of acceleration.

### TAME MORE TERRAIN

Scrambler has the right tools to tackle the wildest trail. Crank the bars and feel the assured bite of the 26" race-bred tyres, then squeeze the throttle and listen to the howl of the sport-tuned, dual-low stainless-steel exhaust.

### BREAK OUT FROM THE PACK

Corner tighter, accelerate quicker and push the edge of a rugged trail with SCRAMBLER® XP 1000. Built upon a tough as nails chassis and infused with a sport performance edge that never follows.

### RISE ABOVE OBSTACLES

Large rocks, deep ruts and unforeseen stumps offer little resistance to the SCRAMBLER® XP 1000 and its impressive 11.5" of ground clearance.

### SMOOTH FOR THE RUGGED

Independent Rear Suspension is calibrated for sport performance for optimum control at speed and premium all-day comfort over harsh terrain.

### SURE FOOTED CONFIDENCE

Ride with the freedom to choose. Scrambler's 48" (123,4 cm) wide stance gives you access to trail widths of your choosing with stability and traction for optimum acceleration and cornering.

## UNSTOPPABLE POWER

Built with unrelenting power to overcome tough terrain

### POWER THROUGH THE ELEMENTS

Take on the outdoors with best-in-class power from the ProStar engine. Smooth, and reliable with a broad torque-curve for power that's easy to manage at slow speeds yet incredibly strong when you need it to pull, haul car go or when you simply want to move on out.

### AS UNSTOPPABLE AS YOU ARE

With 1,500 lbs. (680 kg) of towing capacity, 575 lbs. (261 kg) of payload, the strength of steel reinforced racks and the convenience of 8-gallons of integrated storage, nothing can stop you. Whether you're hauling, towing or simply riding, Sportsman can take you there..

### RIDE IN AND ALWAYS MAKE IT OUT

Ride confident with the Polaris HD 2,500 winch ready to get you out or pull obstacles out of your path.

### TRAIL READY VEHICLE PROTECTION

Ride with added confidence and improved safety with integrated LED lower headlights. Each blast a high intensity, dual pattern beam for additional distance and enhanced peripheral vision. Accent brow lighting also adds to the distinctive style.

## PERFORMANCE TO RIDE EVERYWHERE

Unthinkable stability, control and traction to take on the trails less traveled.

### NOT REINFORCED... REDESIGNED

If you want to completely reinvent the ATV, you need to start at the foundation, which is exactly what we did. The entire chassis of the SPORTSMAN<sup>®</sup> XP was developed to work in harmony with the bold performance attributes it delivers.

### 1,830 LB. TOWING CAPABILITY

Hook on and go with the biggest loads. With the ability to tow up to 1,830 Lb., the Sportsman XP 1000 S can move mountains of work, so you don't have to.

### STRONGER TRANSMISSION

Some ATVs look tough, but we knew the new SPORTSMAN<sup>®</sup> XP 1000 S had to deliver which is why we completely redesigned the transmission with 25% stronger components to work in harmony with the increase in travel, ground clearance and larger tyres.

### UNCOMPROMISING CONTROL

New ProSteer Technology eliminates bump-steer and allows the XP 1000 S to deliver fluid, predictable steering with assured confidence in challenging terrain at even more challenging speeds.

### READY TO HITCH & WINCH

Factory outfitted with the right tools for any job. A standard 2" receiver hitch gives you towing confidence, while a 3,500 lb. winch can help you remove downed trees.

## UNMATCHED UTILITY

Delivering performance, reliability, and legendary ride and handling for added comfort from task to trail.

### **EVEN SMOOTHER**

Now even smoother with increased front suspension travel joining our best-in-class independent rear to absorb bumps of all sizes. The industry's fastest engaging true on demand all-wheel drive system and increased class-leading ground clearance gives you the traction and capability to ride over even bigger obstacles.

### **STRONG AND DURABLE**

Quieter, more durable and easier to own. A new powerful battery with easy charging access ensures reliable starts. New sealed suspension bushings stay smooth and quiet, plus cut way down on maintenance.

### **TRULY VERSATILE**

More accomplished than ever before with best-in-class integrated storage, an increased 1,500 lb. towing capacity and a combined 270 lb. rack capacity. And with hundreds of available accessories, you can add even more versatility to fit your off-road lifestyle.

### **TRUE ON DEMAND ALL-WHEEL DRIVE**

Just about every ATV claims to have four-wheel-drive but only Sportsman can sense the slightest of wheel spin and then automatically and instantly deliver power to the wheels with traction.

### **PROSTAR ENGINE**

Power that's both strong and easy to use. Whether you're just idling around the yard, pulling a big load or ripping down a trail, the electronic fuel injection gives you predictable response and efficiency.

### **LARGER 25" 6-PLY TYRES**

Ride over big obstacles with more confidence, additional traction and greater clearance of 25" tyres with tough, puncture and pinch-resistant 6-ply composition.

**HARDEST WORKING. SMOOTHEST RIDING.**

Whether you're on the job or off, you can count on RANGER to deliver legendary performance and unmatched strength, comfort and capability — day after day and year after year. That's why RANGER has been trusted by farmers, hunters and homeowners for more than a decade.

## STRONGEST

Strength and durability you can rely on each and every day. With ease of service, more uptime and quiet operation that's made to last.

## MOST CAPABLE

The confidence to work hard and play hard, with the ability to handle almost any terrain, get tough jobs done, ride harder and go farther.

## MOST COMFORTABLE

A smooth ride and premium interior keep you comfortable all day long with integrated storage for all your gear and supplies.

# THE POWER TO DO MORE

RANGER XP Kinetic delivers uncompromising capability, unrivalled durability, and the refined performance of an all-electric powertrain.

SCAN FOR  
MORE INFO

## POWER FOR ANY JOB

RANGER XP Kinetic's electric motor produces industry-leading horse power and torque, making it the most capable and most fun RANGER ever.

## EFFORTLESS HAULING & TOWING

Class-leading 1,134 kg towing and industry leading 567 kg hauling capacities let you move more rock, brick, hay, dirt, wood, and supplies at one time so you can get the job done faster and in fewer trips.

## INSTANT TORQUE, PRECISE CONTROL

The electric motor delivers all of its torque instantly, allowing for immediate pulling power while towing, precise control in tight quarters, and amazing throttle response out on the trails. A new shifter design also adds an integrated switch for forward and reverse to the existing high, low, neutral, and park gears for easy transitions between the two.

## DAWN TO DUSK RANGE

With an available 80 miles of estimated range (Ultimate version), RANGER XP Kinetic has plenty of juice to work even the toughest shifts from sun up to sun down.

## PROFESSIONAL INSTALLATION WITH OMERIT

A Level 2 (240V) power supply is recommended for the fastest possible charging. We've partnered with Omerit to make home installation of Level 2 charging quick and convenient.

## LESS MAINTENANCE, MORE UPTIME

Forget about oil changes, fluid flushes and air filters. With far fewer maintenance requirements, RANGER XP Kinetic provides unrivalled service intervals and lets you focus on the job at hand, not upkeep.

## QUIET OPERATION

The electric powertrain helps you connect to what matters most. Quietly haul gear to the blinds, work closely with livestock, or enjoy an easy conversation with passengers without engine noise in the background.

## POWER ON BOARD

A 12V cargo box outlet is convenient for powering accessories like sprayers or small tools. It is controlled via a switch on the dash for easy on-off operation, eliminating the need to exit the vehicle to control connected accessories.

## USER SELECTABLE DRIVE MODES

RANGER XP Kinetic has three drive modes to optimize for the task at hand.

**Eco+:** Limits torque and top speed.

**Standard:** Optimises for everyday driving and moderate-sized jobs.

**Sport:** Optimised for spirited driving and the toughest jobs.

Get more done in a day with RANGER DIESEL. Its Kubota 3 cylinder engine delivers power and performance to help you get the job done.

## RELIABILITY & DURABILITY: BUILT FOR THE HEAVY DUTY LONG HAUL

The RANGER Diesel Deluxe is made to perform to the highest standards for years to come.

- Seats with thicker cushioning
- Matte Titanium colour
- LED headlights
- 12" Aluminium Wheels
- Maxxis Tyres
- Premium steering wheel
- Mud guards
- Digital gauge
- Industry best Donaldson air filter
- True on-demand AWD
- 24 HP Kubota Engine
- Sealed bearings and bushings
- Heavy-duty steering rack
- Easy access radiator panel
- Tough one piece chassis
- 8-vent heater kit
- Dual bin under seat dry storage box
- Noise reduction system
- More leg room
- 2.5 cm deeper box

## PERFORMANCE: CAPABLE ONLY SCRATCHES THE SURFACE

Featuring an unrivaled amount of towing capacity (1134 kg), payload capacity (719 kg) and ground clearance (33 cm), it's always in a position to make work happen.

## MORE STORAGE. MORE COMFORT.

With over 200 engineered accessories, added seat cushioning, and 17% more storage, you're able to customise and elevate every ride with the RANGER Diesel Deluxe.

## A WHOLE NEW KIND OF RANGER TOUGH

The RANGER Diesel and RANGER Diesel Deluxe models have a new isolated front drive. The rubber mounting isolates the front drive vibration from the chassis and passengers by providing for flex and movement based on driveline torque, improving passenger comfort.

The upsized mounting hardware provides 45% more strength, five key changes to provide maximum driveline confidence, and a 15% stronger chassis specifically redesigned around the new front-drive isolation mounts.

**RANGER** DIESEL

# GREAT FOR WORK

SCAN FOR  
MORE INFO

The RANGER® Diesels modern rugged design, next-level in-cab comfort and industry-leading towing and ground clearance make it the hardest-working, smoothest-riding SxS ever built.

## THE DIESEL ENGINE

The three-cylinder diesel engine is the most powerful in its class, delivering 55.2Nm of torque, paired with more consistent power and better torque distribution for a smoother ride. The RANGER® Diesel has the highest top speed in its class of 40 mph.

## LONGEVITY

Thanks to 200 hours between oil service intervals, plus a longer filter life, better seal against dirt and dust, and less oil consumption, the RANGER® Diesel is built for the heavy-duty long haul.

## OFF ROAD CAPABILITIES

The RANGER®'s upgraded off-road capabilities give it the highest marks in high-performance reliability. Improved driving and handling delivers a more stable ride on any terrain, with better uphill power and a tighter turning radius to get the work done, faster.

## UPGRADED CHASSIS

Boasting an aggressive style with its one-piece chassis. More rugged throughout with reduced flex, the chassis design is more robust for an improved ride; offering a large front bumper with integrated winch mount, plus a full body skid plate for 50% more protection to the underside of the vehicle.

## INTERNALLY

The wider chassis seats three people with more legroom to get in and out of the vehicle. The plusher seats feature 2.5 cm of extra cushioning with a flip-up passenger seat, and there's 17% more storage with six cup holders and two glove boxes. Plus less engine noise in-cab and upgraded technology like a new digital gauge.

## TRUE ON-DEMAND AWD TECHNOLOGY

On-demand all-wheel drive (AWD) when selected, means all four wheels engage automatically when the vehicle needs more forward traction and reverts back to two-wheel drive when it doesn't.

## EPS

The added benefit of electric power steering (EPS) that lets you ride all day with less fatigue, with variable assist for easier steering at lower speeds and greater responsiveness at higher speeds.

## INSTALLED TECHNOLOGY

The Engine Braking System (EBS) with Active Decent Control (ADC) controls downhill braking for smooth, controlled descents on steep declines with or without a load.

# UP FOR THE TASK

SCAN FOR  
MORE INFO

Make your days count with RANGER 1000. It's powerful engine delivers class-leading hauling and towing to boost efficiency on the job.

## THE ENGINE

The RANGER 1000 gets its grunt from an all-new purpose-built, single overhead cam engine that delivers 70.9 Nm of torque at lower RPMs. Its smooth, quiet power and outstanding low speed performance help you take full advantage of the improved class-leading 1,134 kg towing and 454 kg box capacity.

## DESIGNED FOR COMFORT

When you spend all day off-road you deserve to be comfortable. The RANGER 1000 surrounds you with improved plush seats, tilt steering, a cab full of convenient 84.6 L of storage and ample room to get in and out. Plus, enjoy the smooth ride you expect from a RANGER with 25.4 cm of suspension travel.

## BUILT TO LAST

When rocks, ruts, logs, and mud are the only roads you drive, you need a machine that's built for it. That's why we gave the RANGER 1000 a strong one-piece chassis, a full-body skid plate, and sealed bushings and bearings. In addition, we updated the front drive to be 30% stronger, giving you the confidence you need to handle the toughest jobs.

## FRONT END PROTECTION

Premium becomes standard with a full front bumper and CV guards protecting wheels and control arms from rocks and sticks.

## IMPRESSIVE GROUND CLEARANCE

26" tyres deliver an impressive 30.5 cm of ground clearance, enabling you to conquer tough jobs and navigate rocky terrain.

## SMOOTH SUSPENSION

25.4 cm of front and independent rear suspension travel, delivering all-day riding comfort through any terrain.

## VERSATRAC TURF MODE

For work around the house, unlock the rear differential for easier and tighter turns that won't tear up your lawn.

## VERSATILE CARGO BOX

Maximize the 454 kg cargo box to hold various tools, material and gear, plus take advantage of the gas-assist dump box to easily unload items.

## HAUL MORE, GET MORE DONE

Connect your trailer to the standard 2 inch receiver and maximize the industry-leading 1,134 kg towing capacity.

## ACCESSORY INTEGRATION

Designed so you can easily customize your vehicle with Lock & Ride components including windshields, roofs and storage solutions plus winches, bumpers and more

When there's work to be done, the RANGER® 570 makes hauling and towing fast and easy thanks to class-leading capability. When it's time for fun, it offers maximum comfort, plus tight spaces are no problem and handling's a breeze.

## GREAT FOR WORK

The Prostar 570 engine makes it easier to confidently haul heavy loads. The spacious cargo box offers class-leading volume along with greater underseat storage capabilities to efficiently transport more tools or supplies and a single-handle tailgate allows for quick and easy access to dump mulch, logs and other cargo from the box. True On-Demand All-Wheel Drive delivers instant traction in rocky, wet and muddy terrain.

## FUN TO RIDE

The new RANGER SP 570 is easy to handle, nimble around corners, and smooth-riding with best-in-class suspension travel and ground clearance. The spacious interior offers plenty of leg room, ample storage for all your gear.

## PERFECT FIT

The RANGER 570 is the right size, at the right price with the right features. It's compact 56" (144,5cm) width makes it easy to ride on tight trails and seamless to transport. Tighter turning radius makes navigating tight corners a breeze.

## IMPRESSIVE TOWING CAPABILITY

Work harder and get projects done faster in fewer trips with the class-leading 1,500 lb (680 kg) towing capacity.

## VERSATRAC TURF MODE

For work around the house, engage Turf Mode to unlock the rear differential for easier and tighter turns that are easy on your lawn.

## SPACIOUS AND COMFORTABLE INTERIOR

Get all-day ride comfort with 2" (5 cm) more legroom for easier entry and exit and redesigned seating for maximum in-cab comfort.

## STANDARD 2" HITCH RECEIVER

Connect your trailer to your RANGER with the standard 2" hitch receiver.

## GROUND CLEARANCE

Ride over obstacles and take on tough terrain with class-leading 10" (25,8 cm) ground clearance and durable 25" tyres along with new mudguards.

# POLARIS CAMP DE ULTIEME UITDAGING!

Polaris Camp is de plek waar u op de mooiste off-road terreinen uw eigen ATV of side-by-side flink kan uittesten en waar u kennismaakt met de nieuwste Polaris modellen en andere Polaris rijders ontmoet. Iedereen is welkom op Polaris Camp, ongeacht of u een Polaris heeft aangeschaft voor de ultieme fun of u uw Polaris primair gebruikt om werk mee te verzetten. Dit off-road evenement wordt ieder jaar georganiseerd door Polaris Benelux en staat garant voor plezier, uitdaging en gezelligheid.

## ZANDHAPPEN

Stel uw lef en behendigheid op de proef op diverse off-road circuits. Daarbij gaat het niet enkel om snelheid, maar ook om uw stuurkunsten. Ga de uitdaging met uw eigen Polaris aan op het zandcircuit, dat beginnende- en ervaren rijders op de proef stelt. Overwin obstakels op het technische

parcours, trotseer de enorme waterbak en trek er samen met andere Polaris rijders op uit op (off-road) paden in de omgeving van Polaris Camp.

## TEST DE NIEUWSTE POLARIS MODELLEN

Bent u eraan toe om uw Polaris in te ruilen voor een nieuw model? Heeft u als ATV bestuurder altijd al een side-by-side willen ervaren of andersom? Op Polaris Camp kunt u de nieuwste Polaris modellen testen en al uw (technische) vragen stellen.

## JEUGD

Je kunt er niet vroeg genoeg mee beginnen', horen we ouders weleens zeggen. En dat snappen we bij Polaris als de beste. We hebben een breed gamma aan ATV's en side-by-sides speciaal voor jeugd vanaf 6 jaar. Jeugdvoertuigen

zijn voorzien van een begrenzer zodat u als ouder de controle hebt over het voertuig. Op Polaris Camp kunnen ouders, jonge kinderen en oudere jeugd kennismaken met het plezier van off-road rijden met een Polaris ATV of side-by-side.

## GEZELLIGHEID

Samen rijden is samen plezier hebben. De gezamenlijke fun begint al op de camping en gaat na het rijden door tijdens de heerlijke barbecue.

## POLARIS CAMP 2025

Op 28 September 2025 vindt de 7e editie van Polaris Camp plaats. Dit wordt een speciale editie met van allerlei nieuwigheden die u niet mag missen. Ga voor meer informatie naar de website of scan de QR code hier bovenin de pagina. [www.polarisbenelux.com/polaris-camp-nl/](http://www.polarisbenelux.com/polaris-camp-nl/)

# POLARIS

Specification correct at time of print. Polaris reserve the right to amend specifications without prior notice.

Warning: Polaris off-road vehicles can be hazardous to operate and are not intended for on-road use. Driver must be at least 16 years old with a valid driver's license to operate. Passengers, if permitted, must be at least 12 years old. ALL riders should always wear helmets, eye protection and protective clothing. Always use seat belts and cab nets or doors (as equipped). Never engage in stunt driving, and avoid excessive speeds and sharp turns. Riding and alcohol/drugs don't mix. All riders should take a safety training course. Availability varies by market; contact your local dealer for availability. Check local laws before riding on trails. ©2025 Polaris Industries Inc.

Youth models have special age restrictions. The Polaris RZR 170 and ACE 150 are intended for operators ages 10 and older; 50-cc ATV models are intended for operators ages 6 and over; 110-cc ATV models are intended for operators ages 10 and older; and the 200-cc ATV is intended for operators age 14 and older. All Polaris youth vehicles require adult supervision at all times for operators under age 16.
